12th Annual “March-a-Mile for Meals”

5th Annual for Camp Verde

Saturday, March 28, 2020

Sponsor Request

The Verde Valley Senior Center is a lifeline to hundreds of seniors in our immediate and outlying rural communities. Join us in our mission to stamp out hunger among our senior citizens by “marching” with us on Saturday, March 28th to bring awareness to the plight of the elderly. The March-a-Mile for Meals event is an established walk that is acknowledged by Senior Centers throughout Northern Arizona and across the nation. Step-up and take the lead and show the residents of the Verde Valley how you care about our senior citizens by supporting Meals-on-Wheels. The Meals-on-Wheels program feeds approximately 1500+ seniors a week in the Verde Valley alone.

Let the Verde Valley know how your business supports Meals-on-Wheels!
